# June 2017 Movie Schedule

## ≡ CREEPY COMMUNITIES: JUNE 2 - 8 ≡

This week's theme sounds silly but the film selection is full of intrigue, murder, and deals with prevalent issues of race relations, teen suicide, and sexism in America. If you missed the breakout film debut "Get Out" from Jordan Peele you can catch it this week along with Sofia Coppola's 1999 film debut "The Virgin Suicides." "Hot Fuzz" and "The Stepford Wives" rounds out the week reminding us all that a white picket fence does not a safe community make.

### GET OUT (2017)

Chris and Rose have a "meet the parents" weekend at Rose's family estate. Chris discovers terrifying truths behind the charming white family's façade.

### HOT FUZZ (2007)

A city cop is transferred to a sleepy town and stuck with a dimwitted partner. When accidents begin to occur, the unlikely duo work to solve mystery behind the deaths.

### THE STEPFORD WIVES (1975)

An Urbanite moves to the picturesque town of Stepford where the other wives display odd behavior and the local men's club is suspiciously secretive.

### THE VIRGIN SUICIDES (1999)

When the beautiful Lisbon sisters commit suicide, a group of neighborhood boys become obsessed with their search for understanding.

## ≡ WES FEST: JUNE 9 - 15 ≡

He has been coined the king of "literary geek chic" and his style is immediately recognizable. Wes Anderson, despite much debate on the topic itself, is textbook auteur. His films drip with color and meticulous attention to set design creating diorama-like worlds where quirky characters embark on great adventures. This week's lineup features films spanning 18 years of Anderson's career, "Bottle Rocket," "The Royal Tenenbaums," "The Life Aquatic with Steve Zissou," and "The Grand Budapest Hotel."

### BOTTLE ROCKET (1996)

Three friends plan to pull off a series of simple robberies but their lack of skills quickly lead to a life on the lam.

### THE GRAND BUDAPEST HOTEL (2014)

Zero narrates a tale of murder and true love as he recounts his evolution from a lowly bellhop to becoming the owner of the prestigious establishment.

### THE LIFE AQUATIC WITH STEVE ZISSOU (2004)

Ego-centric oceanographer Steve Zissou swears revenge on the practically mythical "Jaguar shark" responsible for the death of his beloved colleague.

### THE ROYAL TENENBAUMS (2001)

At the bequest of their estranged father, three sibling prodigies reunite in their family home. Secrets are exposed while they try to make peace with their rotten childhoods.

## ≡ OUR 3RD BIRTHDAY: JUNE 16 - 22 ≡

It's our 3rd Birthday! Which means we're showing some of our favorite films and, per our sources, they're your favorites too! Get ready for an 80's-tastic week with Marty ("Back to the Future"), Dr. Jones ("Raiders of the Lost Ark"), Buttercup ("The Princess Bride"), and Jack ("The Shining").

### BACK TO THE FUTURE (1985)

Marty McFly is accidentally sent 30 years into the past in a time-traveling DeLorean. To save himself from being unborn, he must make sure his parents fall in love.

### RAIDERS OF THE LOST ARK (1981)

Famed archeologist and ladies' man Indiana Jones is tasked with finding the Ark of the Covenant before the Nazis. Such a classic that "it belongs in a museum!"

### THE PRINCESS BRIDE (1987)

A funny, fantastic fairy tale, with swordplay, giants, an evil prince, a beautiful princess, a priest with a lip, and yes, some kissing. (30th Anniversary)

### THE SHINING (1980)

A bad case of writer's block and a hotel filled with evil spirits sends Jack into fits of violence. Add in his creepy kid predicting doom and you've got a fine vacation.

## ≡ ROW HOUSE'S DRAG RACE: JUNE 23 - JUNE 29 ≡

Seven days and seven nights of nothing but drag queens on the Row House Cinema screen! Get transported to 1960's Tokyo in "Funeral Parade of Roses," or trendy South Beach in "The Birdcage." Listen to the musical tale of fallen punk rocker Hedwig in "Hedwig and the Angry Inch" and test your gross-out tolerance with "Pink Flamingos."

### FUNERAL PARADE OF ROSES (1969)

A loose adaptation of "Oedipus Rex" set in the underground gay counter-culture of 1960's Tokyo, a gay son murders his mother and sleeps with his father.

### HEDWIG AND THE ANGRY INCH (2001)

A transgender punk-rock girl tours the U.S. with her band as she tells her life story and follows the former lover who stole her songs.

### PINK FLAMINGOS (1972)

Notorious Baltimore criminal Divine goes up against a sleazy married couple who vie for her tabloid-given title as "The Filthiest Person Alive."

### THE BIRDCAGE (1996)

Armand and his gay lover own the cabaret but agree to put up a false straight front so their son can introduce them to his fiancée's conservative parents.
